

'N Sync, Everything in own

You sheltered me from harm
You kept me warm, you kept me warm
You gave my life to me, you set me free
You set me free
The finest years I ever knew
Were all the years I had with you

CHORUS

I would give everything I own
I'd give up my life, my heart, my home
I would give everything I own
Just to have you, back again
You taught me how to love
Oh what a time, oh what a time
You never said too much, but still you showed the way
And I knew from watching you
That nobody else could ever know
The part of me that, can't let go

CHORUS

Is there someone you know
You're loving them so, taking them all for granted
You may lose them one day- someone takes them away
And they don't hear the words you longed to say
(Give her my life, give her my heart)
Everything I own
Everything I own
(You know baby, my love for you will always stay true
That's right. Cause there is no me without you.)
I would give everything I own
Nobody can love you, love you, love you, love you like I do

CHORUS

Just to have you
Back again
