

# 'N Sync, Falling

I don't know how  
I don't know why  
But girl it seems  
You've touched my life  
You're in my dreams  
You're in my heart  
I'm not myself  
When we're apart  
Something strange has come over me  
A raging wind across my seas  
And girl you know that your eyes are to blame  
And what am I suppose to do  
If I can't get over you  
And come to find that you don't feel the same

Chorus:  
Cause I'm falling,falling  
Girl I'm falling for you  
And I pray you're falling too  
I've been falling,falling  
Ever since the moment  
I laid eyes on you

Falling,falling,falling  
When I laid eyes on you  
Falling,falling,falling

I lose my step  
I lose my ground  
I lose myself  
When you're around  
I'm holding on  
For my life  
To keep from drowning  
In your eyes,yeah  
Girl what have you done to me  
To make me fall so desperately  
To think that I don't even know your name,no no  
And how am I supposed to live  
If I can't get over this  
If you decide that you don't feel the same,yeah

Chorus:  
Cause I'm falling,falling  
Girl I'm falling for you  
And I pray you're falling too  
I've been falling,falling

Falling  
Will you stay or will you go  
Heaven  
Heaven knows what my future holds  
Questions  
Questions linger on my mind  
From daybreak till dark of night  
I don't know what's come over me  
Can't you see that I'm falling,falling  
Girl I'm falling for you  
And I pray you're falling too,yeah yeah

Falling,falling(girl I'm falling)  
Ever since the moment  
I laid eyes on you  
Oh...I'm falling
