

'N Sync, Just Got Paid

Thank god it's Friday night, and I ju, ju, ju, ju, JUST Got Paid
(getting money money money money money)
(getting money money money money money)
(getting money money money money money)
(getting money money money money money)

Yeah.... Oh.

Just got paid, Friday Night

Party Hopping, feelin' right

Bootyies Shaking all around, pump the jam, while I'm getting down

Check the mirror, looking fly

Round up the posse jump in my ride.

Radio rocking hottest jam, feel the rhythm, pump up the sound

Feeling so good don't you know just grooving to the beat

Grooving yeah, Grooving oh oh oh oh

Just got Paid, Friday Night

Party Hopping, feelin' right

Bootyies Shaking all Around, pump that jam, while I'm getting down,

Yo, people say my solo was impossible but when I get up on that mic I am

Unstoppable and it's probable when you hear voices laid down,

You'll be bopping your head to this ill tight sound

You never thought you have me plaid(paid)

Check is in the mail I got it made (made)

When you notice my smile it like Kool-aid 'cause I just got paid.

On the phone, rocking to the beat... all ways sure look sweet,

Fine young lady standing by, c'mon baby sweet eye delight

I love the way that you move, say you look so sweet when you're moving to the beat.

I'm tired of all of these boring parties baby, why don't we get on down, let's get on down.

Let's get on down..

Just got Paid, Friday Night

Party Hopping, feelin' right, Bootyies Shaking all Around

pump that jam, while I'm getting down,

Say Ho,(say Ho)

Say Ho Ho,(say Ho Ho)

Say Ho(Hooooo O)

Just got Paid, Friday Night

Party Hopping, feelin' right

Bootyies Shaking all around, pump that jam, while I'm getting down,

Just got Paid, Friday Night

Party Hopping, Feelin' right

Bootyies Shaking all around, pump that jam, while I'm getting downm

I'm getting down (down yeah)

Ah, I'm Broke!
