

# Nana, Let It Rain

Chorus:

You cant run away, you cant run away, Its payback time, Its Judgement Day  
You cant run away, you cant run away, Its pay-back time, Its Judgement Day  
You cant run away, you cant run away, Its payback time, Its Judgement Day  
You cant run away, you cant run away, Its pay-back time, Its Judgement Day

Rap 1:

Wake up in tha morning pray to God you know why I believe from the bottom of my heart  
thats no lie Lord forgive me and every human being I aint shy Cheatin switchin places  
in the line we all will die Non-believers backstabbin everyday Diggin deeper daily constantly your  
Judgement Day Heartbeat increasin you approach the whitness stand Flashbacks on your  
mind as you shake and lift your right hand Twelve oclock broad and day light Fasten  
your seat belts makin sure that theyre pull tight Judgement Day I can see it in your eyes  
Put your hands in your pocket grab your wallet and dont lie Let me tell you one thing  
my man time has come Nowhere to hide and nowhere to run

Chorus x 1

Rap 2:

With the bible in my hand I preach and teach from land to land How many times must I  
say it til you understand Someday we all gotta pay Butt naked we came butt naked we go  
away Let me know the reason why you are killing for Stop looking at the man livin right  
to your next door Grab a hand and help as much as you can Aint necessary for nobody  
to eat out of a garbage can If you know what Im sayin - Straight from the messengers  
mouth with no delayin - You had the time to change your mind You go for yours and let me go for  
grab your wallet and dont lie Let me tell you one thing my man time has come Nowhere to hide and

Chorus x 1

Tonis rap:

Payback day is comin closer comin to y all Gods strike is hittin straight to y all What you did what y  
speakin - Envy, jealousy and crimes rule the planet No love, no peace, no sorrow, forget it!

Rap 3:

You runnin out of money how funny Pappa Bear style Throw on the grill dont cry dry  
your eye As we roll with the funky bass coming back to Rookie style, ha, Booya Halleluja our direc  
Thats the reason why we dont play shy we apologize say bye bye You reep what you  
saw if you dont know And if you dont know then act like you know Take it easy Im  
just trippin on your mind You cant see what I see my man cause youre blind Judgement Day I can  
and dont lie Let me tell you one thing my man time has come Nowhere to hide and nowhere to run

Chorus x 3
