

Nana, My Song For You

There will never come a day
You will never hear me say
That I want,
Or need to be without you
I wanna give my all
Baby just hold me
Simply control me
B'cause your arms they keep away the lonely
When I look intoo your eyes
Then I realise
All I need is you in my life
'cause I never felt this way about love
And it feels so good

Lately when I look intoo your eyes
Then I realise
You are the only one I need in my life
Baby I just don't know how to describe
How lovely you make me feel inside

You give me butterflyz
Make me flying so high in the sky

I can't controle the butterflyz
You give me butterflyz
Got me flyying so high in the sky,
I can't controle the butterflyz

It seems like the
From the start you told me
I would be your queen
But never had I imagine such a feeling
Joy is what you give
I wanna give you everything

You give me butterflyz
Make me flying so high in the sky
I can't controle the butterflyz
You give me butterflyz
Got me flying so high in the sky
I can't controle the butterflyz

You and I are destiny
I know now,
That you were made for me
