Napalm Death, (Public Gets) What The Public Do

Name your price for progress Impoverished settle the bill Clear a path--coming through! Clear a path--coming through!

Stylize
Making it easy/ on the eye
Keep our distance--too underformed to grace the sublime

Flatter to decieve Building arthouse cosmetics Like a mismatched prosthetic Like a mismatched prosthetic

Spreads like wildfire Burgeoning yuppie nirvana Highbrow aesthetics Decadents always crave more

Marvel at/ the sleek design The wilting talk/ of curves and lines

A piece-de/ resistance To banish my pig-norance

The public gets/ what the public doesn't want What use is this/ to man or beats It glosses over/ basic needs

The public gets/ what the public doesn't want Access denied/ we're utter philistines Access denied/ we're utter philistines

Caged in the exclusion zone
Pass away/ in sepia tones
The public gets/ what the public doesn't want

Access denied? Accept we're cultural slime Access denied? Accept we're cultural slime
