

Natalia Nykiel, Riki Tiki (ft. Bunio)

my body contains every ingredients of love
white lie from my breast
means just lost and insane

shape of my
softly touch
my skin
my eyes
so drain ..
saw too much

my baby
oh
what you need me for
what you need me for
so tempted
my baby
oh
don't stack with me in love
don't stack with me in love
cause I made it
