

Natalie Jane, AVA

Who the fuck is Ava
Is she the other girl
I bet she's dying to date you
And be your entire world

Thought that I was dumb
When you asked me to go blonde
Cause i knew that's what you wanted
Ya you wanted
A girl who did it all
Didn't pick up on your faults
Someone who was always falling
For your charming

So why is there a red heart next to her name
Who the fuck is Ava
Is she the other girl
I bet she's dying to date you
And be your entire world
I'm sick and tired of faking
Like I don't see your phone
When i see her name and you can't explain

Who the fuck is Ava
Who the fuck is Ava
Who the fuck is

Blinded by the lights
Tell me why you trying hide it
I wasn't even threatened
You got me second guessing

So why is there a red heart next to her name
Who the fuck is Ava
Is she the other girl
I bet she's dying to date you
And be your entire world
I'm sick and tired of faking
Like I don't see your phone
When i see her name and you can't explain

Who the fuck is Ava
Who the fuck is Ava
Who the fuck is
