Natasha Bedingfield, Ain't Nobody

Natasha: Captured effortlessly That's the way it was Happened so naturally I did not know it was love The next thing I felt was You holding me close What was I gonna do? I let myself go

And now we're flyin' through the star I hope this night will last forever

Daniel: I've been waitin' for you It's been so long I knew just what I would do When I heard your song Filled my heart with your bliss Gave me freedom You knew I could not resist I needed someone

And now we're flyin' through the stars I hope this night will last forever Oh oh oh

Both: Ain't nobody Loves me better Makes me happy Makes me feel this way Ain't nobody Loves me better than you

Daniel: I wait for night time to come And bring you to me Can't believe I'm the one I was so lonely

Natasha: I feel like no one could feel I must be dreamin' I want this dream to be real I need this feelin'

Both: I make my wish upon a star And hope this night will last forever

CHORUS

Both: And first you put your arms around me
Then you put your charms around me
I can't resist this sweet surrender
Oh my nights are warm and tender
We stare into each other's eyes
And what we see is no surprise
Got a feeling most with treasure
And a love so deep we cannot measure

CHORUS
