

Natasha Bedingfield, Soulmate

Incompatible, it don't matter though
'cos someone's bound to hear my cry
Speak out if you do
You're not easy to find

Is it possible Mr. Loveable
Is already in my life?
Right in front of me
Or maybe you're in disguise

Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone

Here we are again, circles never end
How do I find the perfect fit
There's enough for everyone
But I'm still waiting in line

Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone

If there's a soulmate for everyone

Most relationships seem so transitory
They're all good but not the permanent one

Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone

Who doesn't long for someone to hold
Who knows how to love you without being told
Somebody tell me why I'm on my own
If there's a soulmate for everyone
If there's a soulmate for everyone
