Natasza Urbańska, Runnin' (Lose It All)

These 4 lonely walls have changed the way I feel The way I feel, I'm standing still And nothing else matters now, you are not here So where are you? I've been calling you, I'm missing you

Where else can I go? /2x Chasing you, chasing you Memories turn to dust, please don't bury us I got you, I got you

Running /7x
Ain't runnin' from myself no more
Together we'll win it all
I ain't runnin',
Running /6x
Ain't runnin' from myself no more
I'm ready to face it all
If I lose myself, I lose it all

I've outrun the fears that chased, they are standing still I'm running still, I'm running still And every voice that cries inside my head, forever drives Forever drives, into lights

Where else can I go? /2x Chasing you, chasing you

Running /7x
Ain't runnin' from myself no more
Together we'll win it all
Running /7x
Ain't runnin' from myself no more
I'm ready to face it all
If I lose myself, I lose it all /4x
