

Nathan Dawe X Little Mix, No Time For Tears

I was feelin' broken hearted
Until i press restart
I am moving on
Mowing on
Don't wanna hit rewind
I was sad before
But not anymore

I don't need your sorry
This ain't piy party
I am not tryna be funny
But i ain't got the time, babe

No time for tears
I won't be cryin
Don't need you here
I am dong fine
You see i am moving on
Moving on
You can't kill my vibe
Not a tear's gonna fall from my eyes
No time for tears
I won't be cryin
Don't need you here
I am dong fine
You see i am moving on
Moving on
You can't kill my vibe
Not a tear's gonna fall from my eyes

Though you were gonna se me down
I ain't repeating you
So i am delating you from my phone now
You ain;t gonna see me cry
I might go kiss somebody new
Just cos i feel like
So over this
So over you

I don't need your sorry
This ain't piy party
I am not tryna be funny
But i ain't got the time, babe

No time for tears
I won't be cryin
Don't need you here
I am dong fine
You see i am moving on
Moving on
You can't kill my vibe
Not a tear's gonna fall from my eyes
No time for tears
I won't be cryin
Don't need you here
I am dong fine
You see i am moving on
Moving on
You can't kill my vibe
Not a tear's gonna fall from my eyes
