

Nazz, Crowded

Crowded, my life's so crowded
Not enough time to do the things I want to do
Faces, so many faces
Not enough time to search through all of them for you

See you know what I mean
When I say that nothing should come between

For you, I'd do anything for you
As long as I know that you are where you want to be
Happy, we'll stay happy
As long as I know that's your way of loving me
