

Ne-Yo, COMING WITH YOU

I'm coming with you /3x

Girl, I'm watching you
Loving the way you controlling the scene
Sexy attitude, talk like you walking
Your walk is so mean

They want to hate you
Hate on you good
Cause you so damn bad
I don't condone but I understand it

Cause it just ain't no fair
That you look like that
I'm on it

Got me saying
Where you going? What you getting into?
I'm coming with you
Said if it's all good baby girl I'm coming with you
I'm coming with you
Cause I'm on you tough
And I wanna make that move
I'm coming with you
Said if it's all good baby girl I'm coming with you
I'm coming with you

Baby, pardon me
If I may come across kind of direct
My bad baby
But I been the type to go for what I want
And I ain't never been checked, no
But I might let you try
Girl, what's the business
I'mma let you decide
Where it is we go

Yeah, show me the way you ball so baby
Sexy to me way you take control

Got me saying
Where you going? What you getting into?
I'm coming with you
Said if it's all good baby girl I'm coming with you
I'm coming with you
Cause I'm on you tough
And I wanna make that move
I'm coming with you
Said if it's all good baby girl I'm coming with you
I'm coming with you girl

We can go anywhere
Just pick a star and let me take you there
Baby girl it's you that I want
And all I know is I'm not leaving here alone

Got me saying
Where you going? What you getting into?
Said if it's all good baby girl I'm coming with you
I'm coming with you
Cause I'm on you tough
And I wanna make that move
Said I wanna make that move
I'm coming with you

Said if it's all good baby girl I'm coming with you
I'm coming with you
I'm coming with you, girl

I'm coming with you, baby /3x
I'm coming with you, girl
