Neal Morse, Inside His Presence

And in this place of gold [1 Kings 7:50] The ancients walked this road There is no death [2 Tim 1:10] There is no time [Ecc 3:15]

There is a love unknown [1 Pet 1:8] There is a scent of home A rainbow wreath [Rev 4:3] A blazing throne

From a grave of stone to a world unknown From the smoke and ash comes true life at last [Isa 61:3] Among earth and sod the very life of God is here [Rom 8:11]

From a list of laws seeing all our flaws [Rom 8:3] To the blind, the lame, we are all the same [Acts 10:34, 35] Our High Priest has come to make us all as one in Him [Gal 3:28, Heb 4:15]

The temple of his throne [Acts 7:48] Is now not made with stone Your very heart is now his home [1 Cor 3:16]

He will come and live if you'll only give [John 14:23] Him a place inside that the world can't buy And the Holy Place is now face to face in Christ [Heb 9:24]

When he died and was born the temple walls were torn [Mat 27:51] And God's Spirit poured out to all the ones without Now the temple of the living God is you [Eph 2:21, 22] The temple of the living God is you [Rev 3:12, 1 Pet 2:5]
