

# Neal Morse, It's All I Can Do

It's all I can do to get up in the mornin'  
And get through another day  
It's all I can do to just get off to work  
And not hurt anyone today

It's all I can do to get by in this world  
There's so many dues to pay  
I used to believe I had so much to give  
But now all I have to say

Is this is all I can do

It's all I can do to come home at night  
And get myself undressed  
It's all I can do to sleep with the zombies  
and give my mind a rest

I used to believe I could be anything  
And make it a big success  
My dreams got smaller and smaller until they were gone  
And now I guess

This is all I can do

Oh God, why have you forsaken me?  
Please don't leave me now  
Please don't leave me now

Oh God, why are you so far from me?  
Can you save me now?  
Can you save me now  
From this world of tears?

It's all I can do to get up in the mornin'  
And get through another day  
It's all I can do to sell all my junk  
Pack up and leave L.A.

There's no future that I can see here  
The dream has gone away  
Don't cry for me mother, don't shed a tear  
I'll probably be back someday

And this is all I can do
