

Neal Morse, Mr. Upside Down

I got freedom, I got everything
I got ten telephones that will not ring
but there mine now
Yeah, their mine
You can serve me but you better be quick
Serve me well and I'll do my trick
And I'm on now
Yeah, I'm on

I'm hot or cold, I'm sky or ground
Call me Mr. Upside Down
Mr. Upside Down
Mr. Upside Down

I am funky, I'm a funky man
Got the world by the second hand
and I'm down now
Yeah, I'm down

Bring it on in sense of round
Call me Mr. Upside Down
Mr. Upside Down

Say goodbye to Mr. Upside Down
Mr. Upside Down
Mr. Upside Down
Mr. Upside Down
