

# Necro, Human Consumption

onA cannibal is a person who eats human flesh  
there is much discussion as to whether cannibalisme is an inhered caractaristic in al human beings

blablabla

Sick f\*\*ks with milde manerisme practicing cannibalisme  
for mass-tex to starving north-koreans in prison  
living hannibals vision  
can you stomach the lungeon?  
we're butchering the human carcas for human consumption  
uncivilized APS looking to devouer you and your death  
cause in the head it spiritually empowers you  
overpopulation of femin  
the problems solved  
there eating people  
there's no need to get cops involved  
partial birth abortion inocince killed in vagina  
you could buy body-parts  
they're eating baby's in China  
practice the offegeee as soon as you die  
reincarnate a vulture and eat the corpse of christ,  
you will crusifie  
patient zombie's leaving death-industrie  
feast on a flesh with skirts and meat  
cause young girls..  
are the best to eat  
at least that your parents that carve you the bible  
support cannibalisme  
eat your children when god starves you

blablabla

The last kaboom

\*\*\*\*\*

with chells of it,  
parts by the dozen sick like filthy clinic  
trapped with no food  
made you a mawler  
even mortal christians  
will be reduced to be in an animal rialer  
will you survive like the film Alive?  
in a force to face cannibalisme  
like when the pelgrims arrived?  
Albert Fish his fetish for individual mastarcation  
was his equivilant to masturbation  
they're looking for people to kill  
essentially for drills  
advertising for victims on cannibal URL  
when victim made himself with the killer  
then the greed to be slayned  
strange, like Raley Oder being fed his own brains  
it's legal in germany  
believe me  
cannibals are celebrities  
looking movies at UK tv  
Donna action-figures  
the families think it's perverted  
the makers said: f\*\*k it  
at least someone is eating of the murderers

WOMAN CRYING.

blablablabla

\*On the related subject on must confess to you, I'm getting very serious thoughts.. to eating your w

\*What the hell are you doing there sitting in the dark

\*Thinking about cannibalisme
