

Nega, Kabe

zoushoku shita boku ni dekita kono kabe
kusarikitta koe mou waraenai...
ame wa yagate yamu boku wa yagate shinu
kono juuatsu ni boku wa oshitsubusareru...
I got no way... You got no way...

;

I'm full of pain and sense of guilts...

"tousou ganbou"

"mousou ganbou"

"meisou ganbou"

And I'm troubled by a nightmare!!

The high wall

karete yuku... hikari wa todokazu...

hitei sareta kono mi to hana

kono sutareta shikakukei no heya ni wa

mada omoku kuroi kabe ga...

zoushoku shita boku no mae no kono kabe

nando tataite mo mou kowarenai...
