"We'll just sit back and wait."
"Guess you can start on the harmonica now, Jingles."
(Alright)
"Better put that fancy gun in your hand, you might need it..."
(Alright. Now take my gun...)
"Now we're gonna have them at talk." (and the money...)
"See, in this world, there's two kinds of people, my friend. Those with loaded guns, (Gee) and those who dig. You dig."
"Now, the difference between justice and murder..."
"Hey, Bill! He's comin' out, I can see his horse!"
Gosh, what excitement!
"Go ahead, load up and shoot..."
"I was right there listening, and I just couldn't leave until I heard both the stories!"
"Time sure flies..."
"Do you only know how to play, or do you know how to shoot?"
"I'm gonna kill you with this one bullet if you try to take his gun.
So... come on, take it, if you can..."
"Hand it over."
"Heh heh heh heh...."
"You'll be dead before you can draw the hammer back!"
"Is that so? *click* *bang*"
(Good shooting. Very good shooting.)
"Where'd you... get that.... Derringer?"
"Stay back, it holds two shots, now who wants the second one?"
"Well, you know music... and you can count. (Bravo) All the way up to 2." (Don't shoot me...)
"Drop your gun..."
"Don't do it! He killed Sol, but we got 4 guns, and he's only got one bullet left in that Derringer!"
"One's better than none!"
"We got him!"
(Let's see if that's true...)
click-click
Count to 3...
