

# Neil Diamond, Pot Smoker's Song

La, la, la, Pot, pot, give me some pot.  
Forget what you are,  
You can be what you're not.  
High, high, I wanna get high.  
You'll never give it up if you  
Give it a try.  
La la la la, Mm Mm La la la,  
Pot, pot, give me some pot.  
Forget what you are,  
You can be what you're not.  
Do, do, take a family cruise,  
You with your grass,  
Mom and Dad with this booze, oo oo.  
La la la la, Mm Mm La la la,  
Pot, pot, give me some pot.  
Forget what you are,  
You can be what you're not.  
Tough, tough, the world is so tough,  
And when it gets harder  
You can try harder stuff, uh uh.  
La la la la, Mm Mm La la la,  
Pot, pot, give me some pot.  
Forget what you are,  
You can be what you're not.  
Hip, hop, you wanna be hip.  
You're nowhere at all if  
You don't take a trip.
