

Neil Diamond, Ruby

They say,
Ruby you're like a dream
Not always what you seem
And though my heart
May break when I awake
Let it be so, I only know
Ruby, it's you

They say,
Ruby you're like a song
You don't know right from wrong
And in your eyes
I see heartaches for me
But from the start,
Who stole my heart?
Ruby, it's you

I hear your voice
And I must come to you
I have no choice
So what else can I do?

They say,
Ruby you're like a flame
Into my life you came
And though I should beware
Still I don't care
You thrill me so
I only know
Ruby, it's you
