Neil Finn, Don't Dream It's Over

There is freedom within, there is freedom without Try to catch the deluge in a paper cup There's a battle ahead, many battles are lost But you'll never see the end of the road While you're travelling with me

Hey now, hey now Don't dream it's over Hey now, hey now When the world comes in They come, they come To build a wall between us We know they won't win

Now I'm towing my car, there's a hole in the roof My possessions are causing me suspicion but there's no proof In the paper today tales of war and of waste But you turn right over to the T.V. page

Hey now, hey now Don't dream it's over Hey now, hey now When the world comes in They come, they come To build a wall between us We know they won't win

Now I'm walking again to the beat of a drum And I'm counting the steps to the door of your heart Only the shadows ahead barely clearing the roof Get to know the feeling of liberation and relief

Hey now, hey now Don't dream it's over Hey now, hey now When the world comes in They come, they come To build a wall between us Don't ever let them win
