

# Neil Young & Crazy Horse, Two Old Friends

The preacher went up to the Golden Gate and met God there,  
With the glow of love in his flowing hair  
I'm dreamin' of a time when love and music is everywhere  
Can you see that time comin'?

No my son that time has gone, there's things to do  
The world has changed since I first met you  
Back when The Band played Rock of Ages in their prime,  
And the old juke joint was rockin'

Oh Lord there's so much hate,  
In a world where we're from another place  
Show me how to be like you  
See no evil, hear no evil  
Feel no evil in my heart

In my heart, in my aching heart  
In my heart, in my heart,  
In my old black heart  
In my heart, in my heart,  
In my beating heart

Sky had turned a lotta shades of gray as they walked on  
And a gentle rain fell down on them  
They found faith in the way things are and the way things change  
And they said goodbye like two old friends

Take me up to the mountains high  
Or a building top where the spirits fly  
Show me how to be like you  
See no evil, feel no evil  
Fear no evil in my heart

In my heart, in my aching heart  
In my heart, in my heart  
In my old black heart  
In my heart, in my heart  
In my beating heart

Oh Lord there's so much hate  
In a world where we're from another place  
Show me how to live like you  
See no evil, hear no evil  
Feel no evil in my heart

In my heart, in my aching heart  
In my heart, in my heart  
In my old black heart  
In my heart, in my heart  
In my beating heart
