Neil Young & Crazy Horse, We Never Danced

Between heaven and earth There's a ballroom floor Where the couples glide In the evermore.

Floating through the clouds Dancing in the rain Eyes that see no lies Hearts that feel no pain.

Hope it's not too late We were more than friends I can hardly wait 'Til we meet again.

If you don't really know Where you want to go It makes no difference Which road you take.

Hope it's not too late We were more than friends I can hardly wait 'Til we meet again.

We never danced We never danced We never danced the night away.

We never danced We never danced We never danced the night away.
