

Neil Young, It Might Have Been

The saddest words
Of tongue or pen
Are these four words
It might have been

We had big dreams
We made big plans
How could they slip
Right through our hands

Instead of tearing
Our own hands to pieces
Why don't we try
To right what we've done wrong

It's not too late
To set things straight
Let's never say
It might have been

Instead of tearing
Our own hands to pieces
Why don't we try
To right what we've done wrong

It's not too late
To set things straight
Let's never say
It might have been
