## Neil Young, It Might Have Been

The saddest words Of tongue or pen Are these four words It might have been

We had big dreams
We made big plans
How could they slip
Right through our hands

Instead of tearing
Our own hands to pieces
Why don't we try
To right what we've done wrong

It's not too late To set things straight Let's never say It might have been

Instead of tearing
Our own hands to pieces
Why don't we try
To right what we've done wrong

It's not too late To set things straight Let's never say It might have been
