

Nek, Laura Is Away

Laura is away, she walked out the door
No one to live here anymore
And you ask me why I'm wasting my time
Over a girl no longer mine
My world is falling down around me
But she will never know
That I just can't forget her

Laura is away, and I realized
It's crazy to see her in your eyes
I'm feeling lost like I'm going insane
But don't want to drown you with my pain
Tonight I want to tell there wasn't
Forget about my past
But my heart keeps beating faster

'cause baby when we make love oh oh
Sometimes I feel I fake love oh no
I know it's a mistake but in your place
I can see Laura here, I see her face
See her face ooh oh oooo

Laura is away, she locked out with key
Laura is no longer part of me
Even though I keep asking why
I can't believe she said goodbye
When I think about her moving slowly in another sweet embrace
There's no way I can replace her

'cause baby when we make love oh oh
Sometimes I feel I fake love oh no
I know it's a mistake but in your place
I can see Laura here, I see her face
See her face ooh oh oooo

Why is it so difficult to be
What we feel deep down inside us?
I believe it's logical
But although I try to forget her
She is here

I don't want you to be the other woman, just a chick or a special friend
But it's hard not to pretend now

'cause baby when we make love oh oh
It's not quite the same love oh no
Unfortunately in this song now it's clear
I'm so sorry but I know that Laura is here
Baby when we make love oh oh
Don't wanna go and break love oh no
Unfortunately in this song now it's clear
I'm so sorry but I know that Laura is here
Laura is here
