## Nek, Laura Is Away

Laura is away, she walked out the door No one to live here anymore And you ask me why I'm wasting my time Over a girl no longer mine My world is falling down around me But she will never know That I just can't forget her

Laura is away, and I realized
It's crazy to see her in your eyes
I'm feeling lost like I'm going insane
But don't want to drown you with my pain
Tonight I want to tell there wasn't
Forget about my past
But my heart keeps beating faster

'cause baby when we make love oh oh Sometimes I feel I fake love oh no I know it's a mistake but in your place I can see Laura here, I see her face See her face oooh oh oooo

Laura is away, she locked out with key
Laura is no longer part of me
Even though I keep asking why
I can't believe she said goodbye
When I think about her moving slowly in another sweet embrace
There's no way I can replace her

'cause baby when we make love oh oh Sometimes I feel I fake love oh no I know it's a mistake but in your place I can see Laura here, I see her face See her face oooh oh oooo

Why is it so difficult to be What we feel deep down inside us? I believe it's logical But although I try to forget her She is here

I don't want you to be the other woman, just a chick or a special friend But it's hard not to pretend now

'cause baby when we make love oh oh It's not quite the same love oh no Unfortunately in this song now it's clear I'm so sorry but I know that Laura is here Baby when we make love oh oh Don't wanna go and break love oh no Unfortunately in this song now it's clear I'm so sorry but I know that Laura is here Laura is here
