

Nellie McKay, We Had It Right

[Nellie Mckay:]
Watchin you glide towards me dear
Oh ho ho it's clear
Rumor was wrong
We were right

[k.d. lang:]
Swathed in all white as if a dove
Oh ho ho my love
They heard it wrong
We were right

[Nellie Mckay:]
Though your ears may hear it all my friend
Rumor has it
Rumor has it wrong

[Nellie Mckay & k.d. lang:]
And though your eyes may see it happenin
Rumor has it
Rumor has it wrong

[k.d. lang:]
Watchin you walk towards me sweet
Oh ho so complete
Rumor was wrong
We were right

[Nellie Mckay:]
Clutchin your coat as we depart
Oh ho ho my heart
They heard it wrong
We're all right
Rumor had it wrong

[Nellie Mckay & k.d. lang:]
Rumor had it wrong

[Nellie Mckay:]
And we had it right

Quit talkin bout it

[Nellie Mckay & k.d. lang:]
Rumor had it wrong
