

Nelly Furtado, Chill Boy

i turned my head away, didn't want to hear what you said,
you hushed in your mind.
i showed up insecure, but i thought you would be showed,
i guess i have lost time

Chorus:

but at the end of my life i found it back on my life and i know that my life was good,
at the end of my life found it back on my life, see i went up to you like a shot, i went up to what i wa

i guess it was allowed to ask for these things we've lost, i guess it was just a dream. And time chan

(chorus)

I thought i spent my last days holding, dont care, and now out of my senses lying there on the floor

(chorus)

everything's a lost thing...i went up to what i wanted, i went up to what i wanted and i risked dont re

it dont matter at all
