

Nelly Furtado, I Feel You

(Feat. Esthero)

Nelly: Hey Esthero!

Esthero: Yeah?

Esthero: Hey, Nelstar!

Nelly-

I want to know where you go

I want to know where you go

At night, when you leave my bed

And, when I saw you wandering is when I knew

You had no time for me left in your life

So I'm gonna hold my baby blown away, blown away

So goodbye

But I feel you

(Don't want to let you go)

I feel you

(Hey man I love you so)

I feel you

(Alone here in the night)

I feel you

If you want you can try

And you can make it right

Esthero-

Oh you are such a little child

Oh you are such a little child

And you won't give anything away

No way, no way, no oh

And when I saw you wandering

When I saw you creeping is when I knew

You had no time for me in your life

Bo boo-hoo, now you're gone

But I feel you

(Don't want to let you go)

I feel you

(Hey man I love you so)

I feel you

(Alone here in the night)

I feel you ooh ooh ooh

It's not too late to catch me while you can

I will be waiting for you

You know it's not too late

It's not too late

Oh baby went away

I wish he could have stayed here

But, it's not too late

'Cause I feel you

(Don't want to let you go)

I feel you

(Hey man I love you so)

I feel you

(I long you in the night)

I feel you you you you (yeah)
