[Lil Wayne]

See...

My shortie know what she doing

Lick her lips and get straight to it

When she do it, I say "Ooh it... feels so good";

"Ooh so good, you so good"; I'm so hood

Take her to the block tell her don't even trip

I'ma stop right here, get a bag of that piff

We can roll it on up and take that lift

Hi, my name is Wayne I came to get paid

And lotta other miscellaneous things

Stand up guy but came to get laid

Where's my bed? What I said... is what I mean

And you can take that to the head

I just come to do my thing, gotta keep that maneater fed

Dreads swangin, while I'm bangin

When I'm finished, still bangin, yup!

I don't know what you was thinking

But I'm young and I been drinking, now

Hop on up in this spankin' new, drippin wet Mercedes coupe

Got the thang lookin like a shiney suit

Now imagine that with me and you

I be Diddy, you be Mase, eat me up enjoy the taste

If I be wit it, don't be faint

I'ma put it right there for you on that plate

Come on, call me Young Weezy Baby, Baby, ay-y-yes

I'm a m-m-mouthful now lemme see you digest

[Nelly Furtado]

And when she walks she walks with passion

When she talks, she talks like she can handle it

When she asks for something boy she means it

Even if you never ever see it

Everybody get your necks to crack around

All you crazy people come on jump around

You doing anything to keep her by your side

Because she said she love you, love you long time

(Come on now)

[Nelly Furtado] (Chorus)

Maneater, make you work hard

Make you spend hard

Make you want all, of her love

She's a maneater

Make you buy cars

Make you cut cards

Make you fall real hard in love

She's a Maneater, make you work hard

Make you spend hard

Make you want all, of her love

She's a maneater

Make you buy cars

Make you cut cards

Wish you never ever met her at all
