## Nelly Furtado, Onde Estas (English Version)

The hours of the day
The hours of the day
I wait for the night
I wait for the night

The hours of the day
The hours of the day
I wait for the night
I wait for the night

I watch the waves pass over the ocean I watch the waves pass over the ocean

la la la la la la la la la

The hours of the day The hours of the day I wait for the night I wait for the night

The hours of the day The hours of the day I close my eyes I close my eyes

I watch the stars cry out your name I watch the stars cry out your name

la la la la la la la la la

IThe hours of the day
The hours of the day
I wait for the night
I wait for the night

I go to the highlands to ask where you are I go to the highlands to ask where you are

Where are you Where are you Where are you Where are you
