

# Nelly Furtado, The Harder They Come

Ooh  
The harder they come

Maybe love is not for me  
Maybe lovers dream things that I don't dream  
Maybe oh, maybe

Maybe you are just a little boy  
Ask again you want a pride and joy  
Maybe I should set you free

The harder they come  
The harder they fall  
Baby, maybe I would rather not go there at all  
The harder they come  
The harder they fall  
Maybe I would rather not come here at all

See what comes 'round  
The harder they come

The harder they come  
The harder they fall  
Baby, maybe I would rather not go there at all  
The harder they come  
The harder they fall

The harder they come

Come here at all
