

# Nelly Furtado, The Spirit Indestructible

From my one square foot window I see outside  
I've got chains on my feet but not in my mind  
I'll be dancing all day see the sun outside  
Don't know how long it will be can't stop me

I have a spirit indestructible  
A heart that loving was made for  
A body that's a miracle  
I have a spirit indestructible  
A heart that was made pure  
Unbreakable and that's for sure  
Unshakeable so give me more

A-E-I-O-U

Through my tired eyes I phase out the rain  
With a meditation I erase my pain  
There's a rythm flowing through every vein  
And the melody is never-ending

And though they may and though they may  
Take you away take you away  
You'll never break you'll never break  
And though they may and though they may  
Take you away take you away  
They'll never break they'll never break you
