

# Nelly Furtado, Turn Off The Light

It's getting so lonely inside this bed  
Don't know if I should lick my wounds or say woe is me instead  
And there's an aching inside my head  
It's telling me I'm better off alone  
But after midnight morning will come  
And the day will see if you will get some

[Chorus:]

They say that girl ya know she act too tough tough tough  
Well it's till' I turn off the light, turn off the light  
They say that girl you know she act so rough rough rough  
Well it's till' I turn off the light, turn off the light  
And I say follow me follow me follow me down down down down  
till' you see all my dreams  
Not everything in this magical world is quite what it seems

I looked above the other day  
Cuz I think I'm good and ready for a change  
I live my life by the moon  
If it's high play it low, if it's harvest go slow and if it's full, then go  
But after midnight morning will come  
And the day will see if you're gonna get some

[Chorus]

I'm searching for things that I just cannot see  
Why don't you don't you don't you come and be with me  
I pretend to be cool with me, want to believe  
That I can do it on my own without my heart on my sleeve  
I'm running, I'm running, catch up with me life  
Where is the love that I'm looking to find  
It's all in me, can't you see, why can't you, why can't you see it's all in me

[Chorus]

Where is your logic  
Who do you need  
Where can you turn in your delicate time of need  
Follow me down, follow me down down down,  
I do not need I do not need nobody  
Where is your logic  
Who do you need  
Where can you turn in your delicate time of need
