

Nelly, Intro (I Want It All)

yo hey nelly whatz up dog its cedric the intertainer get at me man
i been hallerin at ya but i been trin to call you bout 3 days i done called your
cell phone pager voice mail over you mamma house your uncle daryl and i paged
kewan like 3 time ya all get at me man i just want to haller at
you player you no im out here up in calli just doin up hangin out here you no chillin
trin to do a little tv you know how i do it rollin around here in a big body
benz and 2 dallor worth of gas huh who said there wasnt no furture
in your front put it down like dat wit your country crammer right i herd about
it usin those words like st louis heR theRe putin them two capital
r's in everything i feel you on that right i feel you
so just get at me so i can do a little sumin for you
just call me back what ever you cant get me call over my mammas
house they know how to page me theyll page me to your number
then illcall you back or you can page my couisn keith and he'll page my cousin lil
daryl who got my real pager number and then i call you back
on his cell phone what ever you do player do st louis style put it down for the STL..
now get at me
