

Nelly, Nightcore - Just A Dream

I was thinking about you, thinking about me
Thinking about us, what we gonna be?
Opened my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Will come back, no one knows
I realize yeah, it was only Just A Dream

I was at the top and now its like I'm in the basement
Number one spot and now I find a replacement
I swear now I can't take it, knowing somebody's got my baby
And now you ain't around baby I can't think
I should've put it down, should've got the ring
Cause I can still feel it in the air
See your pretty face, run my fingers through her hair!
My love of my life, my baby, my wife
You left me, I'm tied
Cause I knew that it just ain't right

I was thinking about you, thinkin about me
Thinking about us, what we gonna be?
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Will come back, no one knows
I realize yeah, it was only Just A Dream

When I be ridin' man I swear I see your face at every turn
Tryna get my Usher on but I can't let it Burn
And I just hopes she know that she the only one I yearn for
More and more I miss you, when i'll learn
Didn't give her all my love, I guess now I got my payback
Now I'm in the club thinking all about my baby
Hey, you were so easy to love
But wait, I guess that love wasn't enough
I'm going through it every time that I'm alone
And now I'm missing, wishing you pick up the phone
But you made the decision that you wanted to move on
Cause I was wrooong...

I was thinking about you, thinking about me
Thinking about us, what we gonna be?
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Will come back, no one knows
I realize yeah, it was only Just A Dream!

If you ever loved somebody put your hands up
If you ever loved somebody put your hands up
And now they're gone and you're wishing you could give them everything
Said if you ever loved somebody put your hands up
If you ever loved somebody put your hands up
Now they're gone and you're wishing you could give them everything

[x2]
I was thinking about you, thinking about me
Thinking about us, what we gonna be?
Open my eyes yeah, it was only Just A Dream
So I travelled back, down that road
Will come back, no one knows
I realize yeah, it was only Just A Dream!

Naaaaaaa oooo it was only Just A Dream...
