

# Nelly, Nightcore - Just A Dream

I was thinking about you, thinking about me  
Thinking about us, what we gonna be?  
Opened my eyes yeah, it was only Just A Dream  
So I travelled back, down that road  
Will come back, no one knows  
I realize yeah, it was only Just A Dream

I was at the top and now its like I'm in the basement  
Number one spot and now I find a replacement  
I swear now I can't take it, knowing somebody's got my baby  
And now you ain't around baby I can't think  
I should've put it down, should've got the ring  
Cause I can still feel it in the air  
See your pretty face, run my fingers through her hair!  
My love of my life, my baby, my wife  
You left me, I'm tied  
Cause I knew that it just ain't right

I was thinking about you, thinkin about me  
Thinking about us, what we gonna be?  
Open my eyes yeah, it was only Just A Dream  
So I travelled back, down that road  
Will come back, no one knows  
I realize yeah, it was only Just A Dream

When I be ridin' man I swear I see your face at every turn  
Tryna get my Usher on but I can't let it Burn  
And I just hopes she know that she the only one I yearn for  
More and more I miss you, when i'll learn  
Didn't give her all my love, I guess now I got my payback  
Now I'm in the club thinking all about my baby  
Hey, you were so easy to love  
But wait, I guess that love wasn't enough  
I'm going through it every time that I'm alone  
And now I'm missing, wishing you pick up the phone  
But you made the decision that you wanted to move on  
Cause I was wrooong...

I was thinking about you, thinking about me  
Thinking about us, what we gonna be?  
Open my eyes yeah, it was only Just A Dream  
So I travelled back, down that road  
Will come back, no one knows  
I realize yeah, it was only Just A Dream!

If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you're wishing you could give them everything  
Said if you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
Now they're gone and you're wishing you could give them everything
