

# Neon Trees, Everybody Talks

Hey baby won't you look my way?  
I can be your new addiction  
Hey baby what you gotta say?  
All you're giving me is fiction

I'm a sorry sucker and this happens all the time  
I found out that everybody talks  
Everybody talks, everybody talks

It started with a whisper  
And that was when I kissed her  
And then she made my lips hurt  
I could hear the chitchat  
Take me to your love shack  
Mamas always gotta backtrack  
When everybody talks back

Hey honey you could be my drug  
You could be my new prescription  
Too much could be an overdose  
All this trash talk make me itching

Oh my my shit  
Everybody talks, everybody talks  
Everybody talks too much

It started with a whisper  
And that was when I kissed her  
And then she made my lips hurt  
I could hear the chitchat  
Take me to your love shack  
Mamas always gotta backtrack  
When everybody talks back

Never thought I'd live to see the day  
When everybody's words got in the way

Hey sugar show me all your love  
All you're giving me is fiction  
Hey sugar what you gotta say?

It started with a whisper  
And that was when I kissed her  
And then she made my lips hurt  
I could hear the chitchat  
Take me to your love shack  
Mamas always gotta backtrack  
When everybody talks back

Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks... back

It started with a whisper (everybody talks, everybody talks)  
And that was when I kissed her (everybody talks, everybody talks)

Everybody talks  
Everybody talks... back
