

Nerf Herder, Pantera Fans In Love

I bleached my hair just like Vince Neil
Then you made me cut it like James Hetfield
We're gonna put an end to alternative rock
We'll find a way to make the Cranberries stop
We went to Sears for pictures at Christmas time
But they wouldn't let us make the metal sign
No they wouldn't let us make the metal sign.

Chorus:

I'll bring the wine you bring the bread and cheese
It's hard to eat when your headbanging
Making out in the middle of the pit
How come Slayer doesn't sing about this
If anything comes between you and me
The heavymetal heaven that's where we'll meet
We are Pantera fans in love

What's with these punk rock nerds
They can't even sing I wish we never heard of the Offspring
A candle lit dinner, Now we're holding hands
I taught you how to draw your first pentagram
We went miniture golfing but we didn't get far
Because we used the clubs to play air guitar
Oh we used the clubs to play air guitar

(Chorus)

We are we are Pantera fans in love

We saw Ozzy on our first date
Our special song is Crazy Train
Making out in the middle of the pit
How come Slayer doesn't sing about this
If anything comes between you and me
The heavymetal heaven that's where we'll meet
We are Metallica fans
We are Megadeath fans
We are Manowar fans in love
We are Pantera fans in love
