Hey, I think you forgot how to play
my teddy bear's running away
the Barbie got something to say
Hey, my Simon says leave me alone
I'm taking my Pikachu home
You're stupid just like your smartphone

you're divine and he's about to regret
he's a bucka boy
I'm your bucka mhm

I am not your toy
you stupid boy
I'll take you down now
make you watch
we're dancing with my dolls
on the motha-bucka beat
I am not your toy

wedding bells ringing
money men bling-bling
I don't care about your stefa, baby
