

Neva Dinova, What You Want

He's a singer for your heart
He's gonna sing into your scene
He's got a brand new limousine

He's been dreaming for your heart
dear

He's gonna make it move real fast
he's got some lightning for your gas

He's a demon in your heart
He's gonna watch you with his eyes
and he'll be gone before you rise

He's been watching from afar dear
And now he's got you in his sight
he's gonna make you realize what you are

oh oh ohhhhhh oh ohhhhhh ohhhhhh oh ohhhhhhhhhhhh ohhh

what's the ** that you like
where's the apple of your eye
are you *****

daisy tried to kiss the sun
the sun ain't kissin' anyone
he just tried to turn the light off
what you want

oh ohhhhhh
ohhhhh
what you want
