Neva Dinova, What You Want

He's a singer for your heart He's gonna sing into your scene He's got a brand new limousine

He's been dreaming for your heart dear

He's gonna make it move real fast he's got some lightning for your gas

He's a demon in your heart He's gonna watch you with his eyes and he'll be gone before you rise

He's been watching from afar dear And now he's got you in his sight he's gonna make your realize what you are

what's the ** that you like where's the apple of your eye are you *****

daisy tried to kiss the sun the sun ain't kissin' anyone he just tried to turn the light off what you want

oh ohhhhhh ohhhhh what you want
