I do it all for Your glory, so that You may have Your way

For Your glory I do it, so that You may have Your way.

[Chorus:]

I do it all for Your glory, that You may have Your way.  
I do it all for Your glory, that You may have Your way

For Your glory I do it, that You may have Your way.  
For Your glory I do it, that You may have Your way.

[Vamp:]

Have Your way, have Your way,  
have Your way in this place today.

Have Your way in this place today.
