

# New Direction, I'm In Love With Jesus

Every time I think about you  
Every time I read about you  
Every time I hear your name I start to smile  
Every time the sun start shinning  
Every time the wind start blowing  
Every time I feel your annointing I start to smile  
Let me take the time to say I love you  
Let me take the time to say I care
