

New Order, Round And Round

I just can't help thinking
What you've done to me
You built a wall of love
And tore it right down In front of me
And you think you know what's going on
You keep telling me that I am wrong
I don't care about what you do
'Cause if you mess with me
I'll get rid of you

Chorus:
The picture you see is no portrait of me
It's too real to be shown to someone I don't know
And it's driving me wild
It makes me act like a child

You think I am crazy, but what can I do
You waste your time, like my money
It ain't so funny, but it's true
(Don't waste my money, baby)
Now you can't tell me
What's going on
And that I am weak while you are strong
What is it you need
That makes your heart bleed
Do you really know? 'Cause it doesn't show

(Chorus x2)
