

New Song, When God Made You

Its always been a mystery to me,
How two hearts can come together,
And love can last forever.
But now that I have found you I believe,
That a miracle has come when God sends the perfect one.
So gone are all my questions about why,
And i've never been so sure of anything in my life

Oh I wonder what God was thinking,when he created you.
I wonder if He knew everything I would need,
Because he made all my dreams come true.
When God made you, He must have been thinking about me.

Ooo ooo,I promise that wherever you may go, wherever life may lead you,
With all my heart I'll be there too.
And from this moment on I want you to know,
I'll let nothing come between us, and I will love the ones you love.
So gone are all my questions about why

Oh I wonder what God was thinking when he created you,

I wonder if He knew everythin I would need,
Because He made all my dreams come true.
When God made you He must've been thinking about me.

He made the sun He made the moon,
To harmonize a perfect tune,
One can't do without the other they just have to be together.
And that is how I know its true,
Your for me and i'm for you and my world
Just cant be right without you in my life

Oh I wonder what God was thinking,when he created you.
I wonder if He knew everything I would need,
Because he made all my dreams come true.
When God made you, He must have been thinking about me.

He must have heard every prayer I've been praying. He must've knew everything I would need
When God made you, He must've been thinking about me.
