

Newsboys, When The Tears Fall

I've had questions, without answers
I've known sorrow, I have known pain
but there's one thing, that I'll cling to
You are faithful, Jesus You're true

when hope is lost, I'll call You Saviour
when pain surrounds, I'll call You healer
when silence falls, You'll be the song within my heart

in the lone hour of my sorrow
through the darkest night of my soul
You surround me and sustain me
my defender, forevermore

when hope is lost, I'll call You Saviour
when pain surrounds, I'll call You healer
when silence falls, You'll be the song within my heart

and I will praise You, I will praise You
when the tears fall, still I will sing to You
and I will praise You, Jesus praise You
through the suffering still I will sing

when hope is lost, I'll call You Saviour
when pain surrounds, I'll call You healer
when silence falls, You'll be the song within my heart

oh yes, You are good to me
You've always been good to me
so trustworthy

when hope is lost, I'll call You Saviour
when pain surrounds, I'll call You healer
when silence falls, You'll be the song within my heart

and I will praise You, and I will praise You
when the tears fall, still I will sing to You
(I will sing to You) I will praise You,
Jesus praise You through the suffering
still I will sing

how faithful and true
sustain me through and through
You are hope and truth
You must bring a little water
You must bring a little water

in the lone hour of my sorrow

who springs never fail
be faithful and true
like...
like a spring it never fails
you're my spring never fails
